The Dodge Dakota, known as the Ram Dakota for the final two years of production, is a mid-size pickup truck from Chrysler's Ram (formerly Dodge Truck) division. From its introduction through 2009, it was marketed by Dodge. The first Dakota was introduced in 1986 as a 1987 model alongside the redesigned Dodge Ram 50. The Dakota was nominated for the North American Truck of the Year award for 2000.

Engine Wiring Harness. Your car's engine wiring harness is much like your body's circulatory system. Just as your veins distribute the blood from your heart throughout your body, powering your every movement, a wiring harness distributes electricity from your vehicle's primary fuse box and delivers it to the various electrical systems throughout your vehicle.
