Headlight Connector - 2001 Ford F-150 | O'Reilly Auto Parts

2001 F-150 headlight switch doesn't ever need to be on. lights automatic come on any time you start the truck and you can't shut them off with the light switch. it has a relay which automatically shut them off after 45 second if you forget to shut them off. Also when it first started doing this I heard a clicking noise in the dash and the lights were coming on and off for about 5 seconds and when ...
