

Aircraft Wire Harness Assembly

Automotive Wire Harness, Cable Harness, Aerospace Cable Harness Manufacturer in India. Bundles and stretches of electric cables, interconnected, overlapping, with several joins and cuts is a certain recipe for disaster.

Wire harness manufacturer in India, Aerospace & Cable ...

A cable harness, also known as a wire harness, cable assembly, wiring assembly or wiring loom, is an assembly of electrical cables or wires which transmit signals or electrical power. The cables are bound together by a durable material such as rubber, vinyl, electrical tape, conduit, a weave of extruded string, or a combination thereof.. Commonly used in automobiles, as well as construction ...

Cable harness - Wikipedia

Featuring custom wire harness building services for a diverse range of industries, from aerospace and agriculture to medical and military, American Precision Assemblers is committed to ensuring our customers receive the best in service and quality.
