The TEAS study manual streamlines applicants' preparation for the TEAS. This official TEAS resource, written specifically to address the needs of students preparing to take the TEAS, is proven to work. On average, students who used TEAS prep materials from ATI scored higher on their TEAS test than those using other companies' materials or no study prep materials.

What Is Business Process Mapping? Business process mapping, a part of Business Process Management (BPM), is a framework used to create visual representations of work processes. Business process maps show the relationship between the steps and inputs to produce an end-product or service, such as when a product goes through packaging or when an employee's leave is approved.
