The Ford Torino is an automobile that was produced by Ford for the North American market between 1968 and 1976. It was a competitor in the intermediate market segment. The car was named after the city of Turin (Torino, in Italian), considered "the Italian Detroit". The Torino was initially an upscale variation of the intermediate sized Ford Fairlane, which Ford produced between 1962 and 1970.

The Ford E series (also known as the Ford Econoline and Ford Club Wagon throughout various stages of its production) is a range of full-size vans produced by the American automaker Ford since 1960. Introduced for the 1961 model year as the replacement for the Ford F-series panel van, four generations of the model line have been produced. In addition to cargo van and passenger van body styles ...

The 8n and 9n Ford tractors are very hardy machines that are still popular choices despite being quite old. Although you may not think that it is so, the 9n is actually the older model built around 1939 while the 8n started production 8 years later in 1947. This is the main difference between the 8n ...
