Reply Nick November 15, 2008 at 9:23 pm. I am looking for a wiring diagram of the stock radio on the 2008 Ford Focus S model. I want to hook up an amp and sub, and I know I need to use a line output converter, but I need to find out what wires to use for the rear left and right (positive and negative) and the accessory turn on lead.

A house is a building that functions as a home. They can range from simple dwellings such as rudimentary huts of nomadic tribes and the improvised shacks in shantytowns to complex, fixed structures of wood, brick, concrete or other materials containing plumbing, ventilation, and electrical systems. Houses use a range of different roofing systems to keep precipitation such as rain from getting ...
