All about the IB diploma! So… I just made this post for my profile links... but I thought I may as well make a post out of it! Intro. The international baccalaureate diploma programme (IBDP, or just IB) is a programme of study in the final two years of school (age 16-18 usually). In the UK, it can be taken instead of A levels (or equivalent).

Get help from an expert Statistics Tutor. Statistics is a branch of math that involves collecting, organizing, analyzing, and interpreting data. Job positions in government agencies use statistics to measure the economic progress of a country or to predict the probability of success for a crop in a certain area. For a majority of college majors, statistics is a requirement, but that doesn’t ...
