

Manual For 420 Jd Dozer

I am looking at buying a 1962 jd 1010 crawler dozer. but it seems to have problems, when going forward steering clutch is dead stick. but in reverse it will stop the track and turn the dozer.

need help on jd 1010 dozer - JDcrawlers Messageboard

Sorry to say, but you need to remove the final drive to remove the steering clutch on every model of 350 crawler. Only 450 models come out the top so take another peak in your service manual.

I've had about 6 350's and 450' s over the years. Still have my 1984 450D dozer that I bought new and still runs like new. Also have a 420 and 2 440's with Jimmy Diesels along with other JD iron. What makes this find relevant is the wet clutches, those are hard to find on the cheap on CL finds. Pics coming.
