Sewing machine parts and supplies for all your sewing needs. Universal Sewing Supply has an extensive catalog of sewing parts for all types of sewing machines. We believe our inventory to be the largest in the industry.

### **Universal Sewing Supply - Sewing Machine Parts and Supplies**

A sewing machine is a machine used to sew fabric and other materials together with thread. Sewing machines were invented during the first Industrial Revolution to decrease the amount of manual

sewing work performed in clothing companies. Since the invention of the first working sewing machine, generally considered to have been the work of Englishman Thomas Saint in 1790, the sewing machine has ...

### **Sewing machine - Wikipedia**

I've been in the market for an industrial sewing machine for a while now, and I was willing to consider any strong machine at a reasonable price under \$100.

### **BrianSews!: Introducing the Pfaff 138**

Serving All Of The Americas Our company is the oldest industrial sewing machine distributor in Florida. Aaron Gopman found it in 1964 and made the Universal name synonymous with quality, integrity, value, and service.
