If you do not wish to install the 9005/9006 Upgrade Harness, but still wishes to use the Auxiliary Light Harness you can purchase the 9005 or 9006 Jumper harness to allow direct plug in to the oem light system.

Slee - Light Harness

Other Crimpers: Several companies (e.g. Paladin, Sargent and Ideal) make crimpers but finding one with a suitable die is difficult because they are usually designed for telephone/coax/computer only or can only crimp one size of terminal. There are two commonly found crimpers that are useful to know about for other tasks if only to recognize them and realize they do not crimp our terminals:
