11/13/2013. Fans of the ABC Television show "Last Man Standing" may be aware that its main character, "Mike Baxter" — played by Tim Allen — is supposed to be a radio amateur, KAØXTT. While it may come as no surprise that the sitcom's producer is a ham — John Amodeo, NN6JA — several radio amateurs also are on the production crew, and their number just increased, with help ...

Right. 42 is a literal constant.Constants are (or at least should be) immutable. That doesn't mean C ints in general are immutable.An int in C simply designates a place in memory. And the bits in that place is very much mutable. You can, for instance, create a reference of an int and change the referent of that reference. This change is visible in all references (including the original int ...

Why are there no ++ and -- operators in Python? - Stack ...

The TK-40 and its modified successor, the TK-41, were the first television cameras able to broadcast live color images. Beginning with the "Colgate Comedy Hour" on 11/22/53 these camera were in wide use at TV network and affiliate studios, as well as independent TV production facilities through the 1960's.
