I have a prentice 120e. A moron took two pto pumps and made one and the housings were different. Chewed up the inside of the housing and sent metal th ... I have a prentice 120c manual and ran across the loss of power section and it was due to the seals being wore in the swivel. Iv been down close to three weeks working on this thing and could ...

Prentice 120e help!! Driving me crazy! in Forestry and Logging

I'm working on a prentice 120e on the back of a Mac truck. The left controls are not working at all! Also the outriggers that are also connected to the left valve body I believe are not working. The right controls are working fine. I'm trying to find a user manual or parts Manual to see what controls everything on the left side.

Prentice 120e major problem and need help. Thanks in ...

Hi I have a prentice 120e that I'm working on. So my problem is that the left valve controls are not working at all. As well as the out rigors on both sides are not working at all. I believe the out rigors are ran through the left valve body controls. The right side controls are working just fine.

I have a prentice 120e that I'm working on. So my problem ...

We supply prentice parts, from seal kits to filters, out rigger pads, hydraulic pumps, Prentice grapple parts, trash grapples, hydraulic tanks and Prentice Hydraulic Cylinders. We also stock hoses, pipes, hose reels, cable reels, rotary unions, swivels, rotate motors, wear pads, controls, remote parts, radio remote controls, valves, valve assemblies and Prentice seats.

Prentice Parts | Trash Truck Loader

2) On the Prentice - I am assuming now that it is a Prentice 120 (instead of 120C or 120E) - due to the fact that it is not joystick controlled - it's a four-lever, yes? OK. What you have is a non-continuous rotation loader and (probably) non-continuous rotation grapple with no extendaboom. Check for any indication of wet, dirty looking surfaces.
