The Penny Red was a British postage stamp, issued in 1841. It succeeded the Penny Black and continued as the main type of postage stamp in the United Kingdom of Great Britain and Ireland until 1879, with only minor changes to the design during that time. The colour was changed from black to red because of difficulty in seeing a cancellation mark on the Penny Black; a black cancel was readily ...

License Plate Trivia. Arizona is the only state to make license plates out of copper. Copper was used in 1932, 1933, and 1934. The 1934 plate has a patent number along the bottom edge. (*) Initially British Columbia's 1996 stickers were colored black on white. However the color was changed to pink on white for late months because people were xeroxing the stickers to make fake ones!
