This guideline is a part of the English Wikipedia's Manual of Style.. It is a generally accepted standard that editors should attempt to follow, though it is best treated with common sense, and occasional exceptions may apply. Any substantive edit to this page should reflect consensus. When in doubt, discuss first on the talk page

Wikipedia:Manual of Style/Dates and numbers - Wikipedia

Yes - you can run two payrolls with the same employer details and PAYE reference and file FPS reports from both. You can only claim the Employment Allowance once by filing an EPS for one of the payrolls and I think that you should only notify the final submission for the year by submitting an EPS on only one payroll.
